APPENDIX C

C1: PATHWAYS TEAM

WHAT IS PATHWAYS?	The Nova Scotia Performance Pathways Initiative (NSPPI) is a funding mechanism for sports in NS to receive support based on high performance (HP) achievements. The development of this initiative is an integral part to Gymnastics Nova Scotia meeting its objectives. The focus is to identify and assist those athletes who may have the potential to reach the Junior National level. It is also to support the coaching and officiating expertise necessary for this standard. A team of athletes will be selected annually based on strength/skill testing or potentially competition results. Elite athletes will receive priority, keeping with the goals of this program. This program will also aim to track and prepare Canada Games contenders, as the Games are a Junior National level competition.
TARGET GROUP	(13-18 years old) P3 and up; Boys that are Novice and Junior age eligible
DO I HAVE TO GO ELITE?	No! You do not have to be an Elite High Performance athlete to be part of the program. As a provincial stream athlete, you may have development plans that match some of the Junior requirements and Men's Program would like you to receive the benefits from this program.
PERKS!	Boys that make the Pathways Team are able to access: <ul style="list-style-type: none"> • Funding towards National Team (NT) Camps/Competitions • Pathways Team T-shirt / Swag • Funding for identified Elite/HP Development competitions • Funding towards Elite/HP camp initiatives • Potential clinics, Team Events
HOW DO I MAKE THE TEAM?	To make the team, you must participate in the annual strength/skill Pathways Testing and rank in the Top 12. The Men's Program Committee can then select up to 4 additional athletes to create a final team of 16, if warranted. Of the potential 16 athletes, 6 will be identified as the Pathways Performance Team (Top 6) to receive further benefits. All gymnasts of age in NS are encouraged to prepare and attend.
HOW DO I GET FUNDING ?	Once part of the team, coaches can request funding for initiatives that assist in HP development. Funding will be supported following a Priority List: NT Events, Elite Events, Pathways Team Events and Other requests. Funding cannot be used for regular training fees nor equipment costs. Full/partial funding is dependent upon available funds and the priority for the athlete/event.
